Exceptional Experience

maytronics | commercial pool cleaners

WAVE – THE TRUSTED NAME FOR COMMERCIAL POOL CLEANERS

The best value for money in commercial pool cleaning Dolphin Wave 75 Highly efficient fully automated cleaning for hotel, campground and school pools. The advanced gyroscopic system ensures accurate scanning for systematic coverage of floor, walls and water-line. High-capacity filtration space captures dirt, dust and all other types of debris, leaving clean and hygienic water throughout the cleaning cycle.

Gain heavy-duty cleaning performance, with robust reliability for long-term, cost-effective operation. Dolphin commercial robotic cleaners from Maytronics are the proven, professional solution for any commercial olympic pool – from small public pools to the largest, professional pools, getting the best value for money.

Advanced technologies ensure comprehensive scanning of the entire pool and highly effective brushing and filtering throughout the cleaning cycle.

With fully automated operation, your staff can focus on other tasks and your pool water is left sparkling clear and hygienic after every cleaning cycle.

Wave 75 key features and advantages

- **Total pool cleaning** - Unique gyroscopic system delivers accurate and effective scanning for systematic cleaning along the entire pool.
- **CleverClean™** scanning system ensures complete pool coverage and cleaning.
- **Gyroscopic navigation system inside** – Gyro inside maintain stable navigation and ensure maximum cleaning effective

Wave 75 Product Specifications

Ideal for pools	Up to 20-25m in length
Cycle time	2, 3, 4 h
Cable	24 m
Weight	11 kg
Suction rate	17m ³ per hour
Power supply - digital switch-mode	Output 24 VDC; IP 54; full filter bag indicator;
Filtration	Fine and ultra-fine porosity filter
Brushes	Dual active combined brushes
Motor unit voltage	24 VDC
Remote control	Set-up of parameters and cleaning programmes
Caddy	For handling and storage
Warranty	24 months or 3000 hours on all parts

About Maytronics

Nobody knows robotic pool cleaners like Maytronics – the company behind industry-leading Dolphin robots. For more than 30 years, we have been developing robotic cleaning solutions for the world's swimming pools. Starting in 1983, we pioneered automated electronic pool cleaning technology. Today, Maytronics remains the market leader, continually setting new standards for technological innovation, design and reliability. In everything we do, we strive to make pool owners' and users' lives easier and more enjoyable. Our goal: to enable an exceptional experience of a pure, clean, safe, and relaxing pool.
