

An aerial photograph of a rectangular swimming pool with a light-colored stone border, set on a green lawn. Several people are relaxing in the pool using Ledge Lounger products. In the upper left, a man in red swim trunks and a woman in a purple bikini lie on light blue lounge mats. In the lower right, two women lie on patterned lounge mats. In the center, two people are in blue inflatable chairs. To the right of the pool, a woman in a green swimsuit lies on a white lounge chair under a white patio umbrella. The Ledge Lounger logo is at the top center, and the text '2021 CATALOG' is below it.

SLIDING OUR WAY TO INNOVATION

One afternoon, our product development team ventured out to a resort to observe pool goers interacting with our products. (Yes, we get to call an afternoon at the pool “work.”)

We noticed something that surprised us. Rather than laying on the Chaise, the way it’s typically used, a handful of kids were using its curves as a slide. We watched as they entertained themselves for hours, and realized they might be onto something. Their inventive approach inspired the Signature Slide; designed so adults can take back their seat for lounging, and kids can enjoy uninterrupted play on the pool’s ledge.

SLIDE

Designed for in-water use in a maximum of 12".
Slide and landing area must be on a tanning ledge of an in-ground swimming pool.

See spec sheet or installation instructions for full proper use requirements.

Designed for ages 3+ Children only - 70 lbs (32kg) weight limit.
