

EMAUX[®]
Water Technology

Heavy Duty
Skimmer

EMAUX SKIMMERS THE ESSENTIAL COMPONENT FOR POOLS

Durable one-piece moulded structure

High performance velocity skimming

Large debris collection basket

Less power load on the pump

Heavy Duty Skimmer

The heavy-duty skimmer can be used for residential and commercial swimming pools suitable for concrete, fibreglass and vinyl surfaces. The 3 models are injection molded and made with UV resistant ABS material; the reinforced material provides the maximum strength and durability for all weather conditions. The high flexibility design allows 1.5" or 2" suction connections to the piping.

Features

- ✓ Suitable for 1.5" and 2" piping
- ✓ Knockout overflow / fill port
- ✓ Durable, corrosion-proof unibody construction
- ✓ Large debris collection basket
- ✓ Snap-in and removable weir
- ✓ Optional stackable extension collar allows infinite vertical height
- ✓ Optional stackable extension throat allows infinite horizontal length

Standard Wall Skimmer

Accessories

Emaux's Skimmer is designed with high compatibility accessories, made to suit all type and all size of pools. Accessories are made with UV resistant ABS material to maximum strength and durability for all weather conditions. Stackable extension collar enables the pool builder to extend the length between skimmer body and the lid by 60 mm, it provides flexibilities to fit the skimmer on uneven pool-surround surfaces.

Code	Product Description
