# The New Generation of Cordless Pool Cleaning

## The Same Unmatched Dolphin Performance - Now Cordless!

Discover the Dolphin **LIBERTY 400**, featuring a new cordless design offering unmatched agility and inductive charging. The 'Eco Mode' will keep your pool clean all week with short, efficient cleaning cycles, while the 'Cycle Selector' allows you to choose between floor-only or floor-and-wall cleaning or ultra-clean mode.

For effortless removal from the pool, use the Click-Up™ or let the Dolphin automatically climb up to the waterline at the end of the cleaning cycle. The Dolphin **LIBERTY 400** also comes with the MyDolphin™ Plus app for easy control and cleaning program setup. With powerful scrubbing action and a superior filtration system, you'll enjoy the same reliable performance you expect from a Dolphin - now cordless!

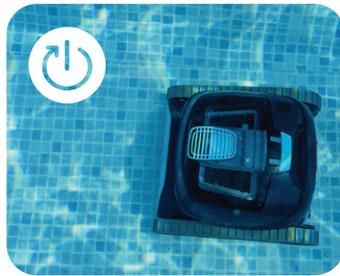

## The Dolphin LIBERTY Difference

### Inductive Charging

Magnetic Connect for super easy click-in-place and walk-away charging

### Eco Mode

Keeps your pool clean with 3x40 or 4x30 or 2x60 minute cycles a week

### Click-Up™

Using the Clicker sensor, the Dolphin will climb up to you, for easy removal from the pool

### MyDolphin™ Plus app

Setting customised cleaning programs is now easier using your mobile device
